(NOTE: If there is only one local lodge voting for a position, then two (2) members may be endorsed.)

Contact your respective local lodge to find out what date, in the month of February 2009, the nominations will take place and where.

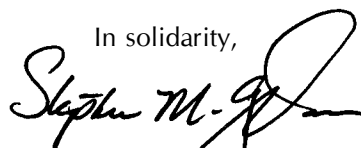

- All nominations must be made from the floor by a member in good standing (A member may nominate himself/herself).
- Nominations may not be submitted in writing.
- Members who are not present may be nominated, but they must have a letter on file with the recording secretary stating that they will accept nomination for that particular office.

If necessary, in the event a plurality vote is not achieved at the February meeting, a runoff election for Local Lodge nominations shall be held at the first regular meeting in the month of March 2009.

NOTE: Sales and Reservations Operations employees can only nominate/endorse and then elect Sales and Reservations employees; same as with Ramp Operations elected by and from LL 2202, only Ramp Operations employees from LL 2202 can nominate Ramp Operations employees from LL 2202, etc.
