## Negotiating Committee Begins Station Visits

During this past week (February 1-5) your Negotiating Team began their station visits with the following locations:

**Anchorage:** We began with the Ticket Counter on Monday and concluded with Air Cargo on Tuesday. The members were glad to meet the negotiators and excited to fill out the surveys—which enable our members to be a part of the negotiating process.

**Seattle:** When we arrived, we visited Flight Operations, Centerpoint, Ticket Counter and Air Cargo and stressed the importance of solidarity as we move forward into negotiations—a message which was well received.

**Los Angeles:** On Thursday and Friday, we traveled to Los Angeles and met with the Ticket Counter Agents—who are aware of the issues we all face and the importance of bringing these issues to the table.

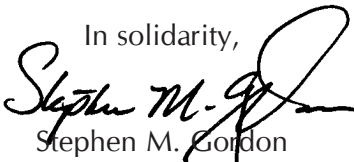

## Have you Received and Completed the 2010 Bargaining Survey?

The 2010 Bargaining Surveys have been sent to each IAM Steward in sufficient quantity for the members at each station. We would like every member to take a moment to complete the brief, yet important, survey in order for us to achieve the best possible collective bargaining agreement for you and your families. If you have not yet received a survey, make sure to contact your shop steward. ***When you have completed the survey, please return it before March 1, 2010 to a COPS chief steward or steward.*** We appreciate your participation.
