Flashpoint

Alaska Airlines COPS/RSSA Ratification Vote

Alaska Airlines members, both the RSSA and COPS groups, will have an opportunity to vote on a two (2) year contract extension proposal throughout the months of November and December 2009. Your elected negotiators from both classifications have reviewed the contract proposal offers, attended informational meetings regarding the Performance Base Pay (PBP), and have made the decision to forward the proposals to the membership for their approval or rejection.

The negotiators have properly reviewed the Company's extension proposals and have recommended that the membership should ultimately decide the fate of these extension offers. Our members have asked for the opportunity to vote on these extensions—now they will have that opportunity.

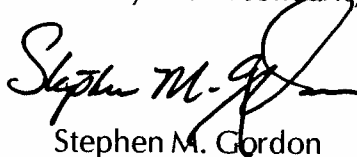

All members will receive a letter from District 143 which outlines the terms of the contract extension proposal. Additionally, the membership will have an opportunity to meet with the applicable negotiators in order to address any questions or concerns before voting. It is imperative for each and every member to become informed about the proposed extension. Take the time to attend the informational meetings before casting your vote.

It is up to the individual member to decide whether or not these proposed extensions work for them and their families for the next two years. However, they must also recognize that their individual vote will have a widespread impact on their colleagues as well. I hope that everyone will make an educated and informed decision.

We have included the information meeting/ratification dates on the reverse side of this bulletin for your review. These dates may be subject to change due to circumstances beyond District 143's control (weather, irregular operations, cancellations); and I would advise everyone to monitor the District 143 web site (www.iam143.org) on a regular basis. District 143 is committed to advising you of any change to the schedule with as much advanced notice as possible.

On behalf of your entire negotiating committee, I would like to thank you for your continued support. We look forward to seeing you at the voting polls.

Fraternally and in solidarity,

Stephen M. Gordon
President/Directing General Chair
